

ILM Corporation Quality Policy

ILM Corporation is dedicated to providing expert document conversion, data entry, digital mailroom, information management and related services. ILM is committed to:

- Helping our customers define their needs and expectations, then meeting or exceeding them;
- Providing accurate and on-time shipments through the cooperative effort of our suppliers, employees and customers;
- Satisfying all statutory and regulatory requirements, as applicable; and
- Continually improving all aspects of our quality management system through process improvement and innovation.

ILM's quality management system is designed to comply with ISO 9001:2015 requirements.

ILM Corporation President
